

General Manager's Meeting Summary

September 2026

9/3: DWR Local Maintaining Agency Coordination meeting. I attended this meeting to discuss the status of DWR inspections, USACE projects, and State grant programs. The Central Valley Flood Protection Board Enforcement Section provided a status update on enforcement cases.

9/4: MBK Coordination meeting. I met with Pro Mitra from MBK Engineers to discuss State Urban Levee Design Criteria compliance and the Robla Creek Pump Station project.

9/8: Annual Steelhead Creek Clean-up Planning meeting. The Central Valley Water Quality Control Board hosted this planning meeting for the annual encampment debris clean-up of Steelhead Creek. The clean-up is scheduled to begin on October 5th.

9/11: American River Flood Control District Board of Trustees meeting. The Board met in regular session. The agenda consisted of a declaration of surplus for the Top Kick Dump Truck.

9/16: Central Valley Flood Control Association Board of Directors meeting. I attended this meeting to discuss regional levee operations and maintenance topics. Items of discussion included a legislative update and State funding.

9/16: City of Sacramento Highwater Jamboree Planning meeting. I attended this meeting to discuss the annual Highwater Jamboree to be held at the Garcia Bend Park. This year's event will be on October 17th.

9/17: MBK County DWR Pipe Assessment meeting. I met with Pro Mitra from MBK Engineers and staff from Sacramento County DWR to discuss the USACE evaluation of a levee pipe near Arden Way.

9/24: CalTrans American River Bridge Bike Trail Access meeting. I met with staff from CalTrans and the City of Sacramento to discuss bike access from the new American River Bridge bike trail to the North Levee of the American River.
