General Manager's Meeting Summary
October 2026

10/1: City of Sacramento Highwater Jamboree Planning meeting. I attended this meeting to discuss the annual Highwater Jamboree to be held at the Garcia Bend Park on October 17th.

10/5: Public Outreach Committee meeting. Trustees Maviglio and Johns and I met to discuss preparations for the District's table at the Highwater Jamboree and also ideas for the Winter 2026-27 Newsletter.

10/7: DWR Pre-Season Flood Preparedness meeting. I attended this meeting to discuss the status of flood season preparations in our region.

10/9: American River Flood Control District Board of Trustees meeting. The Board met in regular session. The agenda consisted of two encroachment permit applications for a fiber optic cable installation on the Interstate-5 Bridge and a new City of Sacramento Pump Station to be constructed adjacent to Robla Creek.

10/14: MBK Urban Levee Design Criteria (ULDC) meeting. I met with Becky Money from MBK Engineers to discuss State ULDC status updates and O&M activities for the prior year.

10/17: City of Sacramento Highwater Jamboree. I attended the annual Highwater Jamboree held at the Garcia Bend Park. Also in attendance were Trustees Crush and Johns and Board President Vander Werf. We talked with multitudes of public visitors about our role in protecting the community from flooding.

10/20: Union Pacific Railroad Permit Work Modification Site-Visit. Superintendent Morris and I met with staff from the Central Valley Flood Protection Board and the contractor for UPRR to discuss ramp modifications adjacent to the railroad tracks as part of finishing up their permitted trestle replacement near Del Paso Boulevard.

10/21: UPRR Permit Work Modification Coordination meeting. I met with the design engineers for UPRR to discuss ramp modifications adjacent to the railroad tracks as part of their permitted trestle replacement near Del Paso Boulevard.
